#### **National Nutrition Week celebrated by FHTS**

The National Nutrition Month or Poshan Mah is celebrated throughout the country during the month of September. National Nutrition Week is celebrated as part of the National Nutrition Month during the first week of September with the objective of spreading awareness among masses about health and nutrition related topics. In the honour of National Nutrition Week, Foundation of Healthcare Technologies Societies (FHTS) conducted various activities during camps set up in three different locations on different days in Delhi.

# Health Camp: Day 3

**Duration of the sessions:** 255 minutes and on its Struggle

Start time: 10:15 AM

End time: 2:30 PM

Team Members: Mansi Gupta, Shruti Sharma, Mahima Kaur, Ayush Kumar, Radha, C.

Henkhogin

**Agenda of the camp**: FHTS organised a health camp in one of the old age homes in Delhi. The session was attended by 92 participants aged 58-78 years. The day's camp was divided in 2 sessions. Objective of the first session was to impart knowledge to the beneficiaries about healthy diets, nutritional requirements during old age and importance of physical activity to maintain good health. The second session or the Swasthya Pahal camp was organised to collect health related information from the participants and provide personal counselling to individuals based on their health status. Details of the session are tabulated below.

	the participants	(BPX,Romsons), lancet,	
	Providing individualised counselling to the	lancet strips, cotton swabs,	
	participants	spirit, digital machine for	
2//19		measuring blood sugar	

# Observations during the camp: Wolfon is Opportunity

As per the information collected during the Swasthya Pahal, it was observed that most of the participants were taking their medications regularly and indulged themselves in some form of physical activity such as brisk walk, jogging and/or yoga. The authorities at the old age home were very warm and welcoming. They helped us in the best way possible to arrange the session and ensuring smooth functioning during the day. They helped us in gathering all the participants in their hall which was important for ensuring an effective group session. The participants were interactive and eager to learn about ways of ensuring a healthy lifestyle. The coordinators also appreciated our efforts and showed their gratitude by giving us plants as a token of appreciation. A letter of appreciation was also given to us by the director of the old age home.

**Details of RISE products sold:** A few RISE products were sold during the camp day. Details of the products sold are mentioned in the table below:
