## **SWASTHYA PAHAL (Health for all)**

Swasthya Pahal (Health for all) is an interactive, innovative, technology-enabled, SMAART (Sustainable, Multi-Sectoral, Accessible, Affordable, Reimbursable and Tailored) initiative. It utilizes a touch screen, computer-enabled, SMAART Portable Health Information Kiosk (PHIK) to enhance self-management of non-communicable diseases among individuals at risk of metabolic syndrome (including diabetes, hypertension, high cholesterol and obesity). SMAART PHIK is implemented through a series of health care camps held across urban, urban slums, and rural/tribal settings in India.

### **Objectives**

- To integrate clinical and non-clinical data sources by combining principles of Information and Communication Technology (ICTs) to enhance population health outcomes across diverse geographic settings.
- To utilize the PHIK as a tool to assess the burden of chronic diseases and associated risk factors in diverse settings such as urban, urban slums, and rural/tribal settings in India.

### **Observations**

A total of three beneficiaries (3 males and 0 females) attended the Swasthya Pahal camp organised on 24th March 2023 at Bhikaji Cama Place, New Delhi. Out of these three beneficiaries, two (n=2) had higher blood pressure than normal and were engaged in regular physical activity. All of them were found to be obese (n=3).

### **Additional Comments**

- Beneficiaries found the counselling session to be very informative and useful, and many of them got to know about more about their health condition.
- All the beneficiaries found the Swasthya Pahal initiative to be very helpful.

**Number of beneficiaries enrolled in SHINE:** SMAART Hub for Informatics enabled Nutrition Education (SHINE) Initiative aims to enhance self-management of chronic non-communicable diseases using multilingual digital HEALTH intervention tailored to enhance their knowledge regarding self-management of disease condition(s), diet, physical activity, healthy lifestyle, home-remedies, medication adherence and stress management. Out of three beneficiaries only two of them (n=2) expressed their interest to receive informative messages for diet and lifestyle management and opted to receive messages on a weekly.

**Details of RISE exhibition:** RISE stands for Research, Innovation, Skills, and Entrepreneurship. The aim of the RISE initiative is to empower girls and women from urban slums. Women are trained to develop their natural talent to make them employable and self-reliant, to fit in an office environment with a paid stipend. An exhibition of the products: pouches, tiffin bags, masks and jute bags made by women of the urban slum was organised at Bhikaji Cama Place, New Delhi.
